Concerning release: Tid - Bortom Inom

We would like to thank all those who have downloaded our latest product, the EP "Tid - Bortom Inom".

As in middecember, we have nearly 1000 downloads, a lot more than hoped for!

Sincere thanks to all of you for helping us spreading the word.

We have received mails from many of you listeners giving your opinion on the EP and the band. With gratitude we proudly thank you for showing us your respects for the band, the label and the music.

Please continue sending us your thoughts, they really make all efforts count.

Since the release we have also been contacted several times concerning demands for the lyrics of "Tid - Bortom Inom" so here you go.

That's all for now.

Sincerely, Songs of Zilence.
